

TILL YOUR TIME

1. Before the waters saw the sun
Before my story had begun
I was known within your mind
In your heart

2. You spoke a word to make me whole
Your Spirit moved within my soul
Light was poured upon my eyes
Till the time when your name I cried

CHORUS

*So I shout it to the sky:
The name of Jesus Christ!
Lord, for you died that I could be
A voice to bring you glory
Till your Time*

3. Till the dawning of your Day
We'll call the earth to know your name
Lighting hearts to burn inside
Till the time when the earth replies

CHORUS

*So I shout it to the sky:
The name of Jesus Christ!
Lord, for you died that I could be
A voice to bring you glory
Till your Time*

BRIDGE

Till the Time
When the morning star
Rises up
Bright within our hearts
Till the Time
When the night gives way
And your light
Fills the dawning Day
Till the Time –

CHORUS

*When I shout it to the sky:
The name of Jesus Christ!
Lord, for you died that I could be
A voice to bring you glory
Till your Time*
